## **President & CEO Message**

Dear Member,

I am so excited to officially welcome the Winchester Members into the Members Plus Membership! As you know, the legal effective date of the merger was July 1st, 2023 , and as of that date, Winchester is now a part of MPCU. ***Welcome!***

For the new, combined membership, there are a few details that everyone needs to keep in mind. Though the legal effective date of the merger is official, you will need to continue to use your current branch locations until both credit unions' data is combined. After the operational merger this Fall 2023, all branch locations will be open to all members.

We will communicate the specifics as the details are ironed out. When the operational merger is complete, the Winchester Branch will be a fully functional MPCU branch, but until that time, members should continue to go to their regular branches for business. Thank you for your patience as we combine our systems!

This is an exciting time for Members Plus, and we are looking forward to the growth and continued success of the combined membership. That said, we know that you may have questions, and we would be happy to answer them. Please reach out to us at [feedback@memberspluscu.org](mailto:feedback@memberspluscu.org) or call us at (781) 905-1543 if you have any questions.

Sincerely,  
**John J. Murphy**  
President and CEO

## **Summer Interns**

We are excited to announce that we have four talented high school interns for the summer to work on a Financial Success Suite geared toward teens and young adults. These marketing students partnered with MPCU through Everett High School Career and Technical Education Program, are getting real-world, hands-on job experience at a credit union. In addition to learning about marketing within an institution, they are

building valuable career skills, gaining confidence, and working on community projects, including our annual backpack drive. At the close of the internship, their Financial Success project will be shared with the membership on the website, social media, and more.

**We are so excited to welcome them aboard!**
