Fraud Alert: Stay Vigilant during the Holidays

Holidays are prime time for scams, with increased frequency and variety.

As a reminder, **MPCU will never call and ask for your card number, account number, password, PIN, or Two-Factor Authentication.**

- Always double-check that you are communicating with the person that you believe they are. For example, if someone direct messages or texts you and asks you for money, do not click on any hyperlinks, and confirm with that person offline to ensure that the message is genuine.
- Never give out your passwords or allow remote control of your computer.
