### **Message from the President & CEO**

Dear Member,

At Members Plus, we believe in nurturing the next generation of talent and providing them with valuable experiences that will shape their future careers. We are excited to announce our Summer Internship Program, in collaboration with Everett High School's Career and Technical Education Program.

For the third consecutive year, through our Summer Internship Program, we will integrate students into teams across the credit union so they can apply what they learn in the classroom to a hands-on setting in the business world. The MPCU internship program will provide students with professional work experience, leadership development skills, and school-to-career readiness, with direct training and mentoring with managers. Our interns will also have an opportunity to volunteer in the community and increase their knowledge of the Credit Union industry and philosophy of “people helping people”.

We're delighted to extend a warm welcome to our 2024 interns, who we know will bring fresh perspectives and innovative ideas! Over 8 weeks this summer, they will be collaborating on real projects that will have an effect on the credit union and our members.

The entire MPCU team is looking forward to supporting the interns and celebrating their achievements.

Sincerely,

**John J. Murphy**

President & CEO

**Financial Success Class**

### In Partnership with the City of Everett

Members Plus Credit Union and City of Everett Workforce Development partnered to create an 8-week Financial Success program for young professionals aged 14-25. The course covers budgeting, saving, retirement, and debt management to empower participants in making informed financial decisions. The initiative aims to enhance financial literacy and professional growth, providing practical tools, mentorship, and peer connections for future financial stability and success.

## Escape the Debt Trap: Easy Strategies for a Healthier Wallet

Debt is inevitable for everyone, but managing it properly requires understanding that not all debt is created equally. To maintain a healthier wallet, be mindful of the amount of debt you incur.

### Know Your Debt

There are a variety of different types of debt, and they are all weighed differently by the [credit bureaus](#).
