## **Retirement Announcement**

Dear Member,

After nearly 47 years in the financial industry, including 10 years with Members Plus Credit Union and much thoughtful contemplation, I have decided to retire from my role as President and CEO. As I move into this new chapter of my life, I want to express my sincere gratitude to our members for your trust, support, and loyalty. I would like to extend my heartfelt appreciation to our staff, who have served under my leadership during my tenure at MPCU.

I am incredibly proud of the work we have accomplished together and our progress as a credit union. Throughout my tenure, I have dedicated myself to ensuring we provide our members with the best financial services possible. I am confident that the technological upgrades and strategies we have put in place will continue to lead us into the future, ensuring the sustainability and growth of the credit union.

The announcement of who my successor will be forthcoming. I have complete confidence in our senior management team and the board of directors who will continue to guide the credit union's future success.

It has been an honor and a privilege, and I am grateful for the opportunity to have been a part of this incredible organization.

Sincerely,  
**John J. Murphy**

### CCUA Book Drive

## Successful Book Drive

Over 250 new and gently used books were donated during a children's book drive in April. The collaboration with A Bed for Every Child and CCUA aimed to provide beds, bedding, and books to children through Massachusetts Credit Unions. This initiative reflects community values of generosity and support for youth, bringing knowledge and joy to those in need. Thank you to everyone who donated!

## Paying for College: Financial Tips and Resources for Every Type of Student

College costs today can vary widely from school to school, and can also extend well beyond just tuition and books. From high-tech laptops and pricey college dorms to transportation to get to school and supplies for class, a clear plan for paying for college expenses is crucial to being able to afford the education you're hoping to achieve.
