## What are *YOU* saving for?

APY = Annual Percentage Yield. Rates are effective as of 3/24/2026 and are subject to change after account opening without notice. This is a limited-time offer.

The High Five Money Market is a blended rate account; you will earn the first-tier dividend rate and annual percentage yields on the balance up to \$50,000.00. The High Five Money Market balance of \$50,000.01 or over will match the dividend rates and annual percentage yields of the Money Market, WINN, Members Money Market, and W.E. Win Accounts.

Funds must be new money. New money is defined as funds deposited at MPCU for the first time or funds not previously on deposit at MPCU within the last 30 calendar days. Recurring direct deposits or other ACH deposits do not qualify as new money.

Interest is compounded monthly and paid monthly. Accounts are insured by NCUA up to \$250,000. MSIC insures all excess shares and deposits above the federal insurance limit of \$250,000.

A \$5.00 Membership Account is required. Limited to one (1) High Five Money Market account per member.
